

How to find and download quality images from the EdmoLift website

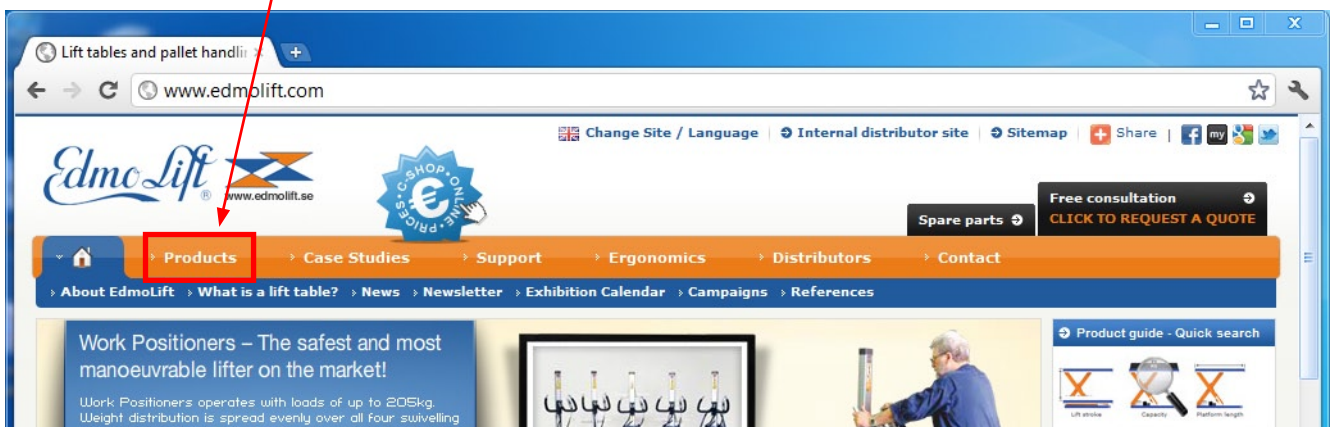

Many of the images on our website are available for download in high resolution; below is a step by step guide how to find and download the images to your computer.

Downloading high resolution product images

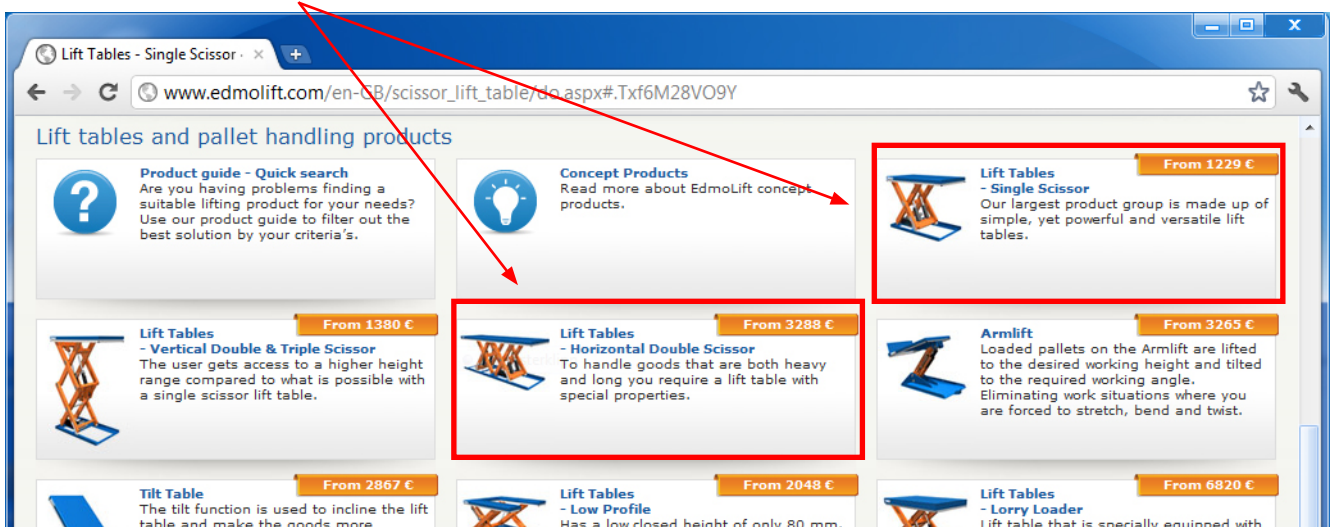

1. Open your favorite web browser and navigate to <http://www.edmolift.com>

2. Click on "products" in the main menu

3. Select a product group

4. Scroll down and select a product in the data table

	Model	Art. no.	Capacity	Lift stroke	Closed height	Length	Width	Lifting time	kW	Weight pack. incl.	Comment
<input type="checkbox"/>	CR 500	36473	500 kg	600 mm	160 mm	900 mm	600 mm	12 sec	0,37 kW	110 kg	
<input type="checkbox"/>	CR 1000	515215	1000 kg	600 mm	160 mm	900 mm	700 mm	23 sec	0,37 kW	130 kg	
<input type="checkbox"/>	CL 1001	★ 36045	1000 kg	820 mm	180 mm	1200 mm	800 mm	15 sec	0,75 kW	160 kg	1/3-phase
<input type="checkbox"/>	TL 1001B	33024	1000 kg	820 mm	180 mm	1200 mm	800 mm	15 sec	0,75 kW	180 kg	
<input type="checkbox"/>	TL 1000	★ 34964	1000 kg	820 mm	180 mm	1300 mm	700 mm	15 sec	0,75 kW	171 kg	
<input type="checkbox"/>	TL 1000B	32920	1000 kg	820 mm	180 mm	1300 mm	800 mm	15 sec	0,75 kW	190 kg	Wide platform

5. Scroll down to the tab menu

If there's a tab called "Case Studies" we have images in an environment with the selected product, click the tab "Case Studies" to show the Case Studies.

If there's a tab called "Gallery" we have images with white background on the selected product, click the tab "Gallery" to show the images.

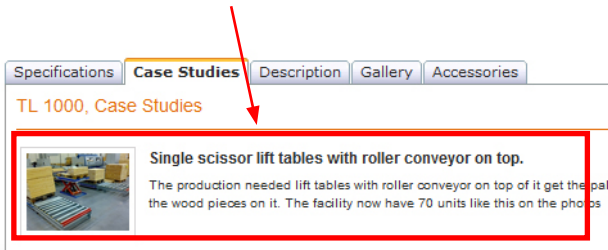

The screenshot shows the product page for TL 1000. The 'Case Studies' and 'Gallery' tabs are highlighted with red boxes. A red arrow points from the 'Case Studies' tab to a case study image. Another red arrow points from the 'Gallery' tab to a gallery image. The 'Specifications' tab is also visible. A 'Save as pdf' button is present. A sidebar menu on the right lists various product categories.

6. Save the images to your computer

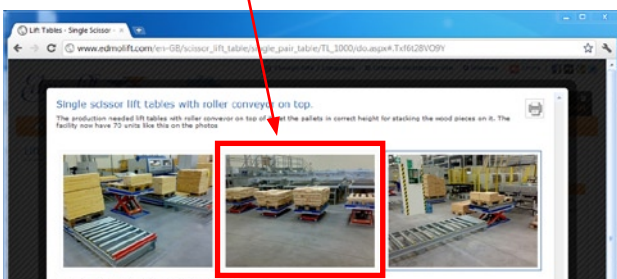

Case Studie images

Click on one of the Case Studies.

The screenshot shows the 'Case Studies' tab for TL 1000. A case study image is highlighted with a red box. The text next to the image reads: "Single scissor lift tables with roller conveyor on top. The production needed lift tables with roller conveyor on top of it get the pallet the wood pieces on it. The facility now have 70 units like this on the photos".

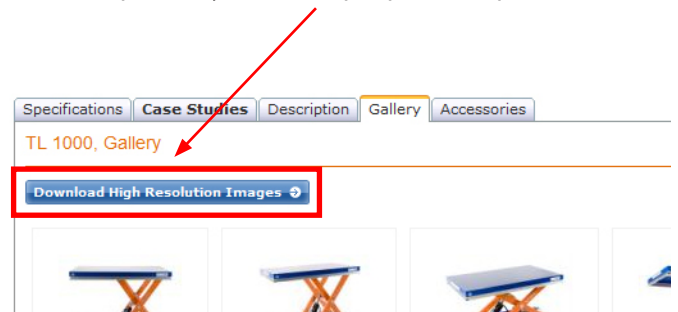

The selected Case Studie is displayed in the browser, click on one of the small images and the big image opens in a new browser window. Right click on the image and save the file to your computer.

The screenshot shows a browser window displaying a case study image. A red box highlights one of the small images in the gallery. The text next to the image reads: "Single scissor lift tables with roller conveyor on top. The production needed lift tables with roller conveyor on top of it get the pallet the wood pieces on it. The facility now have 70 units like this on the photos".

Gallery images

Click the "Download High Resolution Images" button and you will get a question if you want to download a zip-file. Save the zip-file to your desktop. Open the zip file.

The screenshot shows the 'Gallery' tab for TL 1000. The 'Download High Resolution Images' button is highlighted with a red box. Below the button, there are several small images of the lift table.
